As much almonds, you offer to the temple keep safe the equal number of almonds in your house.

Ketu

Ketu is auspiciously situated in the second house in your chart.You may be interested in tours and trips. You might do well in that fields,which requires traveling.The directions of your trips will keep changing.

Your will get degree and citation from the government.The money will come and go in your trade,but the money will be of others.You will get a share from that wealth.

You can be an accountant, bank clerk, or a contractor.Your economic condition will depend on the position of Jupiter. Your domestic condition will remain according to the placement of Venus in your chart.

Remedy

1. Adopt a dog and look after well.

Combination of Planets

There are no result giving combinations in your chart.

According to Lal Kitab, a combination is made when two planets are jointly situated in any house in a chart. Whether a combination of planets is auspicious or inauspicious, it depends on the placement of other planets in the chart. When the other planets are in good position then the combination yields auspicious result and when the other planets are not auspiciously situated then the combination is inauspicious. The combination provides an especiality to a chart, means whether a chart is particularly good or bad.

There is no combination of any kind in your chart. The planets give their auspicious or inauspicious results according to their placement in the particular house. Your chart will be called a chart without a combination. So instead of providing special auspicious or inauspicious result it will be giving you normal result.

Rinas and Remedies in Lal Kitab

Jeeva Hatya Rin

There is Yoga of Jeev Hatya in your chart. You must have killed innocent creatures in your previous birth or you would have hurt them, because of which your chart is afflicted from Jeev Hatya Rina. There are less chances of success in animal husbandry for you.

Remedy

Manglik Effect

Generally the people become upset on hearing the name of Manglik Dosha. A day comprises of 24 hours. Out of these 24 hours, children born in 10 hours are born with a Manglik chart and the rest 14 hours child are free from Manglik Dosha. The Manglik Dosha is considered while making matrimonial match of a boy and a girl's chart. Either both the charts should be free from the Manglik Dosha or both the charts should possess this Dosha, so that the fault of the one is nullified with the fault of the other. It is not a curse that a person is having a Manglik chart. Only because of the lack of knowledge it is taken by some people that Mars is an inauspicious planet.

The Mars is the son of Varaha (the incarnation of Lord Vishnu) and Earth and hence it is benevolent. It is only Mars because of whom a person is - healthy, possessing good quantity of blood, covetous, destroyer of enemies, always victorious in the battlefield, owner of big property and rich. It is only Mars which is the cause behind all these.

According to Lal Kitab, Mars becomes more inauspicious in the fourth house in the Cancer zodiac sign, than it is in the other houses (1, 7, 8 and 12). Mars is weak in the debilitated zodiac sign, and there it gives an inauspicious result.

Mars in the eighth house
